

Antibody identification

[Session 2/3] Putting it into practice

DATE: 6th AUG 2025 / 13:00PM

Registration

To register for this webinar, please click on the link [HERE](#) or scan the QR code on the right using your mobile device. A confirmation email with joining instructions will be sent to you automatically after successful registration.

Learning objectives [Session 2/3]

1. Brief refresher on key techniques from *Tools of the Trade*
2. Case-based approach to antibody identification
3. Work through real-life panel examples
4. Interactive polls to test understanding

Details for session 3 will be provided at a later date.

Certificate available for CPD purposes.
